2025 NH Food System Statewide Gathering

NH FOOD
ALLIANCE

SPONSORSHIP OF THE GATHERING DRIVES CHANGE IN OUR FOOD SYSTEM.

The 2025 NH Food System Statewide Gathering will be the first convening held around the NH Food and Agriculture Strategic Plan. Your sponsorship is a ground floor investment in the strategic plan and a keystone to us gathering, prioritizing, and delivering strategic ideas for food systems change to the right people at the right time.

Each year, the NH Food Alliance hosts the NH Food System Statewide Gathering as an event that brings together individuals, businesses, and organizations from across sectors who are dedicated to growing an improved local food system that works for all in the Granite State. Sponsoring the NH Food System Statewide Gathering will increase the visibility of your organization with food systems professionals across New Hampshire and New England and demonstrate your support for a thriving, fair, and sustainable local food system to your community and Granite Staters from North Country to the Seacoast.

Browse the three sponsorship levels in the following pages. Each level includes a combination of promotional opportunities for your organization:

- acknowledgement of sponsorship through the NH Food Alliance communications channels (email list, Facebook, Instagram, and LinkedIn)
- inclusion on event specific materials,
- and a number of complimentary event tickets.
